HALLOWEEN ARRIVES

This will be the noise making and fun plucking evening of the year, Halloween. Young America will be out in force and many will be the depredations that he will commit, but all in the spirit of rollicking fun, without intent to do injury to anyone. There will be many public and private parties this evening and merry jest and old time ceremonials, as well as dancing and refreshments will be the order. The officers tonight will arrest all persons who commit acts of vandalism. In the past on Halloween a few hoodlums have defaced and destroyed much property. Tonight this will not be tolerated.

ATTEMPT TO ROB POSTOFFICE

The postoffice at Sparks is again in the limelight. This time an attempt was made to rob the safe on last Tuesday evening. The robbers were on the job with their tools and dynamite, but were frightened away, leaving behind them their safe cracking outfit, which was found on the floor of the office the following morning.

NOTICE

STRINGERS CUT IN GYPSY QUEEN DRIFT

The crosscut in the Gypsy Queen, which is being extended south of east from the shaft of the Gypsy Queen at a depth of 1350 feet, is now out about 55 feet. It will require about 70 feet further to get to the ledge, if the dip is maintained. In the crosscut a number of small stringers have been encountered. The working is being advanced through matrix trachyte. The ledge that was cut in the shaft is a strong one and it is expected that below the water level it will develop an ore body.

BISHOP PLAYERS TO BE WELL ENTERTAINED

HIGH SCHOOL STUDENT BODY PLANS TO RECEIVE ITS INVO ANTAGONISTS

Plans for the entertainment of the football boys from Bishop high school have occupied the high school student body the last few days, and have taken a rather definite shape. The Bishop boys will be entertained at the homes of Tonopah boys, the full number being already subscribed for. On Saturday evening, following the game, the girls of the high school will give a banquet for both teams and their coaches. After the dinner a short dance will be given in the high school gymnasium. A complete program will be announced later. The Bishop boys will arrive on Friday next.

FIVE ACTIVITIES IN PROGRESS AT ONCE

TONOPAH SCHOOLS ARE CULTIVATING YOUNG IDEAS ON THE INTENSIVE PLAN

"The public school should be the social center of every town and city in the United States." This sentence is a portion of a creed which Prof. George L. Dilworth, superintendent of the Tonopah schools, announced some time before the present year started. That Mr. Dilworth's ideals are being realized, was brought home forcibly to a passerby just the other day. It was evening and the school seemed the center of a great deal of action. Upon peering in through the glass of the large front door, two basketball teams in lively tilt were seen scurrying about the gymnasium while a score of the younger fellows looked on.

Upstairs Roy Cross, teacher of manual training, was directing the first rehearsal of the high school orchestra. About a dozen students have shown active interest in this department, and its success is assured.

In another room upstairs Miss Jewett was conducting a Spanish class for all who can not attend the regular classes, and across the street in the kindergarten a large crowd was collected, learning all the fancy steps, side steps and inflections that will go side steps and inflections. As the basketball game broke up, the football team was collecting for secret signal practice under Coach Walker. Nearly every evening a similar program is carried out. Truly the high school has become the center of much youthful attention, and Mr. Dilworth and the faculty are to be congratulated upon the realization of his ideal.

FORGER SENT TO ASYLUM

Leroy Copeland of Humboldt county has been turned over to the authorities at the state hospital for mental diseases at Reno, after being duly examined and committed by a lunacy board from Humboldt county. Copeland was arrested several weeks ago for forgery. It was apparently a clear case against him, but it was also evident that the man was of unsound mind and the charge against him was ignored by the grand jury and he was held for examination as to his sanity.

UNTO THEM A SON, ETC.

George M. Anderson of the Carson City News, editor, manager and general utility man around the office, is also a father. Mrs. Anderson gave birth to a son in a Reno hospital Thursday morning. Both father and mother are well known newspaper people in Nevada and the lad certainly has an excellent start in life.

CLEANUP OF BRUSH

The city scavenger desires all residents and householders on the week before Thanksgiving to have all weeds and other rubbish about their premises hoed up and piled so that it can be removed by him.

GOLDFIELD AGAIN DEFEATS TONOPAH

SCORE OF 29 TO 25 IN FAVOR OF THE GOLD CAMP IN LAST NIGHT'S GAME

In their initial game of the season the Tonopah All-star basketball team was defeated by the Goldfield aggregation at the Goldfield gymnasium last night by the score of 29 to 25. This is the nearest a Tonopah team has come to defeating Goldfield on its home court for more than seven years and looks encouraging for the local squad when it visits the gold camp on the next trip.

Tonopah played much better basketball than Goldfield, especially in its team work, which was excellent for so early in the season, but Tonopah's chief weakness lay in its inability to shoot baskets. McCall was the biggest point winner for Goldfield and Cuddy for Tonopah.

The next game of the series will be played in Tonopah on November 19, at the high school gymnasium. The lineup for last night's game follows:

Tonopah	R. F.	Goldfield
Stuhl	McCall	
Cuddy	Trumann	
Butler	C. Fitzgerald	
O'Connell	R. G. Morrison	
Cross	L. G. Dabsky	
Gilbert	Sub. St. Pierre	

Referees, Stotesbury and McLaughlin.

DEATH OF OLDEST ELK

A San Diego paper contains news of the death of the oldest Elk. He was Charles C. Clusker and was aged 105 years. He was found dead in a chair in his home at 727 Eleventh street. The deceased was a life member of the organization and was familiarly known as "Uncle Charley." He was a native of Richmond, Madison county, Kentucky. He attributed his longevity to the motto: "Never worry, eat hearty and sleep sound."

A LONE ARREST

The only arrest made last night by the police was a badly pifflicated individual, who had so far recovered this morning that he was turned loose without submitting him to the tender mercies of Justice Dunseath.

This is Tonopah's Cabaret Beautiful

It is said that over 10,000,000 women in this country shop daily, 90 per cent of whom are influenced through advertising to buy a certain article or go to a certain store; hence when a small dealer tells you that advertising doesn't pay, you will find, nine times out of ten, that not only his advertising but his store methods are faulty. He is, very likely, a spasmodic advertiser. He is operating without any particular plan or policy. In short, he is a hot and cold proposition, pretty much like the old rooster in the snow, standing first on one foot, then on the other, trying to avoid getting cold feet, where if he used both feet at the same time, he would get to some place where there wasn't any snow. The advertiser who uses the Daily Bonanza consistently has insured his success.

SIMMERONE NOW IS READY TO SHIP

DISCOVERY IS MAINTAINING ITS EARLY PROMISE WITH HIGH ASSAYS

The rich ore body opened lately by a raise in the workings of the New Goldfield Simmerone company now appears to be of substantial proportions and is yielding a product of excellent grade, says the Goldfield Tribune. Superintendent Knickerbocker is making preparations to send out a shipment within the next few days and has been backing the ore broken in developing the shoot. The rich ore was first exposed by a raise above the 100-foot level and at a height above this level of 35 feet. The raise was extended in this ore to a height of 48 feet, where it was stopped in order to follow the shoot downward on its dip and to determine the point at which it could be most easily reached on the 100 level.

"THE KING OF THE EARTH"

Charles Thompson, the Finn who was adjudged insane after he had made a fierce attack on Officer June Peck, will be taken to the insane asylum at Reno tomorrow, or Monday at the latest. Attendant Perley Wheeler will arrive from the institution on tomorrow morning's train. Thompson still maintains that he is king of the earth and he knows that he is to make the trip tomorrow, but maintains that it is to be a journey to his coronation.

AMUSEMENTS

BUTLER THEATER

Tonight at the Butler Charlie Chaplin, the world's greatest comedian, will be seen in a Keystone comedy, "The Fatal Mallet," and everyone who wishes to enjoy a good laugh is urged to be on hand. The feature will be a Brady-World Film production in five parts, entitled "After Dark," based upon Dion Boucicault's play of the same name. Mr. Brady himself made of the part of "Old Tom" the most famous success of his career on the stage, and now it has been handed to Alex B. Francis, whose years of devoted service in motion picture acting have met at last with their reward. As a play it was a tremendous success on the regular stage, and as a film production "After Dark" has been done the amplest justice. It has the advantages of a powerful supporting cast and wonderfully effective settings. It is a photoplay that will hold you all the time it is on the screen. Tomorrow, "The Rosary," a Selig Red Seal play in seven reels. It packs the theaters everywhere. Miss Kathryn Williams assumes what is probably the strongest emotional role of her wonderful career as an actress. It is said to have become the most popular photoplay of the year. Those who wish to see it are urged to come early as there will be no preliminary reel, the big picture starting promptly at 7 o'clock, on account of the length of the picture.—Adv.
